

Hello CSI Phoenix Chapter

As my time as your Chapter President is coming to an end, I can honestly say that it seems like only last month that I received the gavel as incoming President. Even though I was very busy with work and went through a change in employment this year, our Phoenix Chapter team made my job relatively easy. I believe we have the best Leadership team of any chapter out there, and it is exemplified by the fact that many local members have received awards of merit from either the Chapter, Region or Institute over the years. With the latest being Heather Unger receiving the Individual Certificate of Appreciation award at our recent Southwest Regional Conference. Congrats Heather !

Our New Member Sweepstakes is still in effect, and the odds of winning are very high. So get out there and recruit some new members for your shot at part of the \$700 jackpot. A huge thank you to our sponsors so far!

Spectra, FM Solutions, Dunn Edwards Paints, SpecDocs LLC, APF, Partitions & Accessories Co., and Tnemec.

Current entrants in the drawing include....

James Wesala with Camille Matthews

Robert Strobel with Jaime Garrido

DeWayne Selvig with Bobbi Jo Huskey

With only 3 active entrants to date, if you can scramble and get a new member officially registered before our year end celebration meeting on June 11th, you'll both have a great chance at being the lucky winner of the drawing that evening.

Through the hard work of our leadership team and committee chairpersons, we are already set up to have a successful and educating year next year with many interesting meeting topics and fun social/fundraising events.

Please do what you can to attend our Member Appreciation Dinner June 11th to recognize those that make the Phoenix Chapter successful and experience a fun “Slide Slam” project presentation from representatives of DLR Group, GH2 Architects, and Treanor.

The meeting will be at DLR Group- 6225 N 24th St, Phoenix AZ 85016 from 5:30-8:00 pm

I'll also be passing the gavel on to Jaime Garrido as he prepares to be our next Phoenix Chapter President. Come congratulate him on his upcoming role.

I hope to see you there.

Jeff Nielsen CSI CDT CCPR

Phoenix Chapter President

Tnemec Coating Consultant
