

CSI Phoenix members,

As we embrace the beauty of springtime, it's a perfect opportunity to refresh, reconnect, and grow together in this vibrant season of renewal.

We had a successful 31st Annual Golf Tournament last month. A heartfelt thank you to both our sponsors and participants. Your support and involvement were key in creating an unforgettable event! I would like to give a special thank you to our CSI Golf Committee; Bobbi Jo, Ron Stas, Jeff Scoby, Heather Unger, and Robin Snyder (she helped on the day of). Your hard work, dedication, and support were essential to making this a successful event.

Our 2024-2025 fiscal year is quickly coming to an end, but we still have great events planned for April, May, and June. Our chapter meetings are the BLOODLINE to our organization, so I ask you to make attendance a priority. You can find this important information on the [CSI Meeting Information](#).

Our April Chapter Meeting will discuss Indigenous architecture and design. Come listen and gain knowledge of various Indigenous architectural styles and understand how these practices differ based on regional environments and cultural contexts.

Our May Chapter Meeting will be a Tour of Moontower and will take place at 5pm, instead of our typical 5:30pm timeslot. Moontower is a 24-story residential high rise that adds to Phoenix's growing skyline. This project meets LEED Silver Standard and aligns with Phoenix's Walkable Urban Code and Sustainability Bonus System.

With an aggressive goal to increase our finances through new fundraising events, I am happy to announce our next event will be a Bowling Fundraiser on Thursday May 15th from 5pm-7pm at Let it Roll Bowl. Individual participation, lane sponsors, raffle sponsors, food sponsor, and drink sponsor opportunities will be available. Please visit our website for more information.

Please feel free to contact me or any of our Board Members if you have any ideas, suggestions, or comments on how to advance our chapter and improve communications.

I'm proud to serve as your chapter president. Together, we've accomplished so much and look forward to the exciting opportunities ahead. Thank you for your unwavering support and dedication to the Construction Specification Institute Phoenix Chapter.

Brooke Manriquez, CSI, CDT
President of CSI Phoenix Chapter
